

FRONTIERS
CLINICAL & TRANSLATIONAL
SCIENCE INSTITUTE
AT THE UNIVERSITY OF KANSAS

Frontiers Grant Library Index

This resource lists all applications housed within the Frontiers Grant Library, organized by award type, including a listing of which components are included in the shared application.

Fellowship Awards (F-Series)

Grant Author and Title: Dr. Renee Gilbert (F31CA288067): Transition and Health Implications of Posttraumatic Growth in Pediatric Cancer Survivors

- 1) Submission Type: Initial, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection,

Grant Author and Title: Dr. Walker McKinney (F31MH126572): Lateralization of sensorimotor behavior and cortical-cerebellar networks in autism

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers, Summary Statements
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Brittany Martinez (F31DE031181): Role of Specc1l in ciliogenesis during craniofacial development

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,

- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research,
- 4) Other Components: Vertebrate Animals,

Grant Author and Title: Dr. Bethany Forseth (F32DK128982): A Rigorous Application of the RE-AIM Framework to Examine a Pediatric Obesity Intervention (F32DK128982)

- 1) Submission Type: Summary Statements
- 2) Standard Components: Specific Aims, Research Strategy,
- 3) Training Components: Training Objectives/Plan, Candidate Background,
- 4) Other Components:

Grant Author and Title: Dr. Rebecca Foright (F32DK127693): The Impact of Early Life Stress on Reward and Body Weight

- 1) Submission Type: Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Vertebrate Animals, Data Sharing/Monitoring

Frontiers Training Awards (TL1s)

Grant Author and Title: Dr. Brittany Martinez (TL1): Investigating maternal nutrient signaling changes in a mouse model of cleft palate rescue

- 1) Submission Type: Initial,
- 2) Standard Components:
- 3) Training Components:
- 4) Other Components:

Grant Author and Title: Dr. Aaron Smith (TL1): Muscle-Brain Axis Biomarkers as Therapeutic Targets in Alzheimer's Disease

- 1) Submission Type: Initial,
- 2) Standard Components:
- 3) Training Components:
- 4) Other Components:

Grant Author and Title: Frontiers TL1 Awardee: Immune Checkpoint Inhibitors Reverse Leukemia Microenvironment Immunosuppression

- 1) Submission Type: Initial,

- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection,

Career Development Awards (K-Series)

Grant Author and Title: Dr. Eleanor Leavens (K01DA054995): Impact of e-cigarette nicotine concentration on compensation, cigarette use, and biomarkers of exposure and harm in African American and White smokers

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Jaime Perales Puchalt (K01MD014177): Feasibility of a Novel Systems Approach for Improving Utilization of Alzheimer's Disease Services Among Latinos Attending Primary Care Practices

- 1) Submission Type: Initial, Resubmission,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Robin Shook (K01DK119545): Metabolism, Appetite, and Physical Activity in Adolescents

- 1) Submission Type: Resubmission, Intro to Revision/Response to Reviewers, Summary Statements
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment

- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Olivia Veatch (K01LM012870): Efficient Translation of Genetics Research for Clinical Decision Support

- 1) Submission Type: Initial, Resubmission,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background,
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Richard Yi (K02DA034767): Development of Smoking Cessation Interventions Informed by Temporal Discounting

- 1) Submission Type: Resubmission, Intro to Revision/Response to Reviewers, Summary Statements
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol,

Grant Author and Title: Dr. Bruce Troen (K07AG060266): Enhancing Geroscience Scholarship and Faculty Development to Minimize Frailty and Maximize Healthspan

- 1) Submission Type: Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research,
- 4) Other Components:

Grant Author and Title: Dr. Carolyn Bates (K08CA279877): A Healthy Weight Intervention for Family Stress during the Early Phases of ALL Treatment: NOURISH-ALL

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support

- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Alain Cuna (K08DK125735): Gene-environment interactions in necrotizing enterocolitis: impact of SIGIRR mutation and gut microbiota on intestinal TLR hyperactivity

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Vertebrate Animals, Data Sharing/Monitoring

Grant Author and Title: Dr. Romina Barral (K23HD109464): Reducing reproductive health disparities among Latinx youth living in rural communities

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources,
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol,

Grant Author and Title: Dr. Aditi Gupta (K23AG055666): Cognitive Impairment in End Stage Renal Disease

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research,
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Stephani Stancil (K23MH130728): Development of a Pharmacodynamic Biomarker of Opioid Antagonism in Adolescents with Eating Disorders

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Brenda Salley (K99HD075886): Visual Attention, Joint Attention and Emergent Language in Infancy

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Kaela Varberg (K99HD107262): Regulation of Invasive Trophoblast Cell Lineage Development

- 1) Submission Type: Initial, Resubmission,
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Training in Responsible Conduct of Research, Institutional Environment & Commitment
- 4) Other Components: Vertebrate Animals,

Grant Author and Title: Dr. Heather Wilkins (K99AG056600): Relationship between Amyloid beta and Bioenergetics

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment

- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Research Awards (R-Series)

Grant Author and Title: Dr. Christie Befort (R01CA268034): Rural Engagement in TelemedTeam for Options in Obesity Treatment Solutions (RE-TOOL)

- 1) Submission Type:
- 2) Standard Components:
- 3) Training Components:
- 4) Other Components:

Grant Author and Title: Dr. Christie Befort and Dr. Ann Davis (R01NR019810): iAmHealthy Parents First: Delivering Obesity Care to Parents and Children in Rural Communities

- 1) Submission Type:
- 2) Standard Components:
- 3) Training Components:
- 4) Other Components:

Grant Author and Title: Dr. Jeffrey Burns (R01AG052954): Prescribing Smart Aging: Integrating Health Systems with Community-Based

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Jordan Carlson (R01HL148463): Characterization of Sedentary Patterns and Cardiovascular Disease Risk Markers in Hispanics/Latinos

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Lisa Cox (R01CA259256): Improving smoking abstinence outcomes in the African American community through extended treatment

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Training Objectives/Plan, Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Lisa Cox (R01DA035796): Advancing Tobacco Use Treatment for African American Smokers

- 1) Submission Type: Initial, Resubmission, Summary Statements
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Ann Davis (R01NR016255): Rural Disparities in Pediatric Obesity: The iAmHealthy Intervention

- 1) Submission Type: Initial, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol,

Grant Author and Title: Dr. Shellie Ellis (R01CA274560): TEAMSPORT to Community TEAMSPORT: Validating and Adapting a Precision Oncology Reflex Testing Team Intervention to Reduce Rural Disparities in Cancer Care Delivery

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Institutional Environment & Commitment
- 4) Other Components: Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Allen Greiner (R01CA188898): Adaptive Intervention to Maximize Colorectal Screening in Safety Net Populations

- 1) Submission Type: Initial, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Lauren Ptomey (R01AG063909): The Promotion of Physical Activity for the Prevention of Alzheimer's Disease in Adults with Down Syndrome

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Russell Swerdlow (R01AG061194): Mechanistic Basis of the mtDNA Haplogroup J-Alzheimer's Disease Association

- 1) Submission Type:
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources,
- 3) Training Components: Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection,

Grant Author and Title: Dr. John Thyfault (R01DK121497): Aerobic Fitness, Mitochondrial Function, and Fatty Liver Disease

- 1) Submission Type:
- 2) Standard Components: Specific Aims, Research Strategy,
- 3) Training Components:
- 4) Other Components: Vertebrate Animals,

Grant Author and Title: Dr. Michael Wolfe (R01AG066986): Structure and Function of Gamma-Secretase in Familial Alzheimer's Disease

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support

- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Data Sharing/Monitoring

Grant Author and Title: Dr. Jordan Carlson (R03HD088776): Identifying Promising Implementation Strategies and Effectiveness for Walking School Bus Programs

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Letter(s) of Support
- 3) Training Components: Candidate Background,
- 4) Other Components: Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Jordan Carlson (R03HD096097): Understanding obesity-related behaviors and the role of school and non-school environments using location-based measures

- 1) Submission Type: Initial, Resubmission,
- 2) Standard Components: Specific Aims, Research Strategy,
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Clinical Trial Protocol,

Grant Author and Title: Dr. Mingui Fu (R15AI138116): Ribonuclease-mediated control of sepsis-induced systemic inflammation

- 1) Submission Type: Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Vertebrate Animals, Data Sharing/Monitoring

Grant Author and Title: Dr. Jordan Carlson (R21CA194492): Automated Ecological Video Identification of Physical Activity (E-VIP) Software

- 1) Submission Type: Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Jaime Perales Puchalt (R21AG065755): CuidaTXT: a Text Message Dementia-Caregiver Intervention for Latinos

- 1) Submission Type: Initial, Resubmission,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Grant Author and Title: Dr. Olivia Veatch (R21HD107535): Elucidating the causes and consequences of sleep disturbances in children with rare genetic syndromes

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Dr. Heather Wilkins (R21TR003589): Functional Biomarkers for ALS

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background,
- 4) Other Components: Vertebrate Animals, Data Sharing/Monitoring

Grant Author and Title: Dr. Emily Hurley (R34MH132473): Enhancing communication on relationship preservation, safer conception and PrEP to promote HIV testing

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol, Data Sharing/Monitoring

Supplements (Re-Entry, Administrative, etc.)

Grant Author and Title: Dr. Jaime Perales Puchalt Diversity Supplement for Dr. Russell Swerdlow (P30AG035982): AD Education and Risk Reduction Programming: Smart Aging Series

- 1) Submission Type: Resubmission, Summary Statements
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Candidate Background, Mentor/Sponsor Statement, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Mr. William Moore Minority Supplement for Dr. Allen Greiner (R01CA188898): Using Community Health Workers to Improve Colorectal Screening in Safety-net Clinics

- 1) Submission Type:
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Training Objectives/Plan, Candidate Background, Mentor/Sponsor Statement, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Grant Author and Title: Administrative Supplement for Dr. Russell Swerdlow (R01AG035982): University of Kansas Alzheimer's Disease Core Centers

- 1) Submission Type:
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources,
- 3) Training Components: Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection,

Grant Author and Title: Dr. Amy Bodde Re-entry Supplement for Dr. Lauren Ptomey (R01AG063909): The Promotion of Physical Activity for the Prevention of Alzheimer's Disease in Adults with Down Syndrome - Amy Bodde Re-entry Supplement

- 1) Submission Type: Initial,
- 2) Standard Components: Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Training Objectives/Plan, Candidate Background,
- 4) Other Components:

Grant Author and Title: Administrative Supplement for Dr. Kristi Williams (R01AG069171-06A1S1): Changing Talk Online Training (CHATO): A National Trial to Reduce Behavioral Symptoms in Long Term Care Residents with Alzheimer's Disease and Other Dementias

- 1) Submission Type:
- 2) Standard Components: Specific Aims, Research Strategy,
- 3) Training Components: Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Clinical Trial Protocol,

Other Awards (U-Series, PCORI, etc.)

Grant Author and Title: Dr. Courtney Berrios (PCORI): Engaging Stakeholders to Identify Shared Research Priorities for Rare Diseases in Children

- 1) Submission Type:
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources,
- 3) Training Components: Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection,

Grant Author and Title: Dr. Allen Greiner (U01CA290664): KanSurvive 2.0

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring

Frontiers Pilot Awards

Grant Author and Title: Dr. Alexandra Brown (Pilot): Exploring Bayesian Adaptive Designs in Patient Preference Randomization Trials

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components: Human Subjects Protocol/Protection,

Grant Author and Title: Dr. Kim Randell (Pilot): Exploring Implementation and Sustainability of Youth Research Advisory Boards within Clinical and Translational Science Institutes

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Facilities & Resources,
- 3) Training Components: Candidate Background,
- 4) Other Components: Human Subjects Protocol/Protection,

Grant Author and Title: Dr. Tarak Srivastava (Pilot): SH3BP2 inhibitors to target SH3BP2-mediated immune activation in nephrotic syndrome

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Candidate Background,
- 4) Other Components: Vertebrate Animals,

Grant Author and Title: Dr. Jay Vivian (Pilot): A cell-based platform for screening for therapeutics for Vici Syndrome and other diseases of autophagy

- 1) Submission Type: Initial,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources,
- 3) Training Components: Candidate Background, Institutional Environment & Commitment
- 4) Other Components:

Grant Author and Title: Dr. Olivia Veatch (Pilot): Evaluating Sleep Disturbances and Young Adults with Intellectual and Developmental Disabilities

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background,
- 4) Other Components: Data Sharing/Monitoring

Grant Author and Title: Dr. Heather Wilkins (Pilot): Mitochondrial Health Index for Alzheimer's Disease

- 1) Submission Type: Initial, Resubmission, Intro to Revision/Response to Reviewers,
- 2) Standard Components: Specific Aims, Research Strategy, Biosketch(es), Facilities & Resources, Letter(s) of Support
- 3) Training Components: Candidate Background, Institutional Environment & Commitment

4) Other Components: Human Subjects Protocol/Protection, Data Sharing/Monitoring
