As part of the KS Broadband Planning, the public is invited to submit their comments on the planning document. Together with the Broadband Equity Access and Deployment (BEAD) 5-Year action Plan, Vol 1 & 2 will help identify the areas of need for high speed internet buildout across the state and outline requirements for applicants to access grant funding. Public comments can be [submitted here](#) until November 12th. To learn more about BEAD, [click here](#).
