Subject: MARG Bulletin 03

Welcome back to new & improved

MARG Bulletin!

We are so excited to share all your community events & research opportunities so please resume sending them my way!

Please share these bulletins widely among your networks.

If you would like to join the mailing list, let me know: CHaynes@kumc.edu

Have you attended our monthly MARG Meetings?

We meet virtually every third Thursday of the month at 9am. Join us to learn about community based research projects & if you missed it, [click here](#) for our youtube playlist of previous meetings.

COPE (Communities Organizing to Promote Equity) Presents at the COVID-19 Health Disparities Grant Reverse Site Visit in Chicago

Sarah Kessler (Project Lead) and Christina Pacheco (Project Director) were in Chicago presenting and attending the COVID-19 Health Disparities Grant Reverse Site Visit.

Kessler, along with Jackie Catron (Section Director of Community Health Worker at KDHE) presented "Advancing the CHW Workforce in the Heartland: Impacts and Lessons Learned from Two Different Implementation Strategies in Kansas."

Saturday, April 27, from 10 a.m.-1 p.m. at the Lafayette Masonic Lodge, 322 Houston St., Manhattan

Saturday, May 11, from 9 a.m.-noon at Georgetown Independent Living, 1655 S. Georgetown St., Wichita

For more info [click here](#).

A new philanthropic organization will roll out \$10 million in grants to rural communities and small towns in 2024, funding projects aimed at enhancing civic participation.

[The Trust for Civic Life](#), a collaborative that [launched in February](#), funds small town entrepreneurs, cultural centers, hobby groups, and public venues to create avenues for community participation.

Supporting Survivors Thursday, April 18 12:00 – 1:00 p.m. | Health Education Building 2112 Presented by a MOCSA-supported survivor and Katie Russell, Education and Outreach Specialist, MOCSA. Hybrid Event - training portion 12 pm-12:30 pm available via Zoom and In-person. The survivor story from 12:30 pm-1:00 pm will be in-person only. Snacks will be provided. [Register Here](#).

The goal of the reverse site visit is to "bring together grant recipients who are a part of the National Initiative to Address COVID-19 Health Disparities Among Populations at High-Risk and Underserved, including Racial and Ethnic Minority Populations and Rural Communities to share experiences and learn new skills to support their work across the four key strategy areas."

Rural Health and Prosperity Grants 101 Workshop

The Health Resources Service Administration Region 7, in collaboration with The Kansas Office of Rural Prosperity, state and other federal agencies, is hosting a free two-day Grants 101 Workshop on April 16 and 17 in McPherson, Kansas. Attendees will learn about the federal grant application process, where to find diverse funding opportunities, strategies for creating a successful application and resources to support their grant-writing efforts. Additional information can be found on the [Kansas Department of Commerce website](#)
