

## FINDING THE CLINICAL AND TRANSLATIONAL SCIENCE UNIT (CTSU) FROM PARKING GARAGE P2 AND P3

### If you are parked in P2 (Olathe II) garage:

- On the third level of the garage, take the pedestrian walkway into the Orthopedics and Medical Pavilion. When you enter the building, you will be on the second floor.
- Follow the windows on your right and walk past Neurosurgery and Urologic Surgery.
- Continue walking past the picture of corn and through the double doors following the signs that say "To Hospital."
- Follow the windows to the end of the hall and turn right.
- Turn left at the bank of six elevators. Take the hallway leading toward the large picture window (follow signs for "Sudler Building").
- At the bottom of the incline, turn right and enter the Clinical Translational Science Unit.
- Follow hall to patient waiting area and turn right.
- You are at the CTSU Participant Check-in (Suite 2053).

## FINDING THE CLINICAL AND TRANSLATIONAL SCIENCE UNIT (CTSU) FROM PARKING GARAGE P2 AND P3

### If you are parked in P3 (Cambridge) garage:

- Enter the main hospital lobby on the ground level from Cambridge Street. Walk past the escalators to the bank of 6 elevators.
- Take elevator to second floor.
- Exit the elevator and take the hallway leading toward the large picture window / follow signs for "Sudler Building".
- Turn right at the large picture window, then immediately turn left and head down the incline (Sudler Link).
- At the bottom of the incline, turn right and enter the Clinical Translational Science Unit (CTSU).
- Follow the hallway to the patient waiting area.
- You are at CTSU Participant Check-in (suite 2053).
