

Kathy Benich is a dedicated member of the Multidisciplinary Advocates and Researchers Group (MARG) and a passionate advocate for cancer research and support. She serves as co-chair of PIVOT, a program within the Masonic Cancer Alliance that fosters collaboration between researchers and individuals with lived cancer experiences to drive innovative approaches in cancer research. Additionally, she contributes as secretary of the board at Gilda's Club KC, a community for those impacted by cancer. With firsthand experience in grief and loss, Kathy transitioned from a career in HR systems and healthcare advisory to become a death doula, focusing on grief support, loss navigation, and death literacy. Her work is driven by a deep commitment to guiding individuals and families through life's most challenging transitions with compassion and understanding.
